## *New Perspective Leadership Certificate Track*

### **Introduction:**

The New Perspective Leadership Track is a program and series of courses under the Grace Church Emmaus School of Ministry. It has been designed to develop and equip leaders who are in the New Perspective Ministry (college and career ages 18-28). The underlying philosophy of the New Perspective Leadership Track supports the goal of equipping servants of God to effectively grow in Bible knowledge while simultaneously growing in love for others. Part of this training involves all who are enrolled being willing to open their lives up for scrutiny, and being open and responsive to teaching, rebuking, correcting, and training in righteousness from other New Perspective leaders (2Tim 3:16).

To train and serve in New Perspective leadership at Grace Church, we ask that you fill out an application (the link can be found on the New Perspective page in the Graceohio website) and attend a orientation class facilitated by the Director of New Perspective Ministries. The training program will be explained to you at that time. Training is provided to all who serve so that our time invested in serving and leading New Perspective will be more rewarding. The training will help young adults become active and useful members of the body of Christ; create opportunities to gain knowledge and insight into God's vision; equip leaders to build up the body; develop character and maturity through field experience; and expose participants to valuable ministry philosophies and methodologies. The following chart illustrates the training program.

	REQUIRED COURSES			
<b>1. To Start Serving</b>	What the New Testament is All About	Transforming: Becoming a True Disciple of Jesus	Everyday Theology 1: Translating Theology Into Life	What the Old Testament is All About
