HOW WILL YOU GET INVOLVED AT GRACE IN 2011?

LET'S SERVE OUR CHURCH FAMILY!

Our church is our spiritual family. Throughout the New Testament, the Bible calls us to live life with one another with seemingly endless verbiage: love, care, encourage, honor, accept, instruct, greet, serve, unite, submit, bear, meet (and the list goes on!). Jesus says that everyone will know we're His disciples if we love one another (John 13:35). It is with this heart that we should view giving our lives away within the church.

Like a family, there are all kinds of needs to be met, children to be raised, gatherings to host, meals to be made and people to invite. We must take part in engaging as one of the family. As one body with many different parts, we can truly make some significant things happen for Jesus. No matter how God has shaped you (I recommend discovering your S.H.A.P.E. by taking the course offered through the Emmaus School of Ministry), there is a specific way for you to serve and a purposeful way that you fit within your spiritual family.

In this brochure, you'll find information and the heartbeat of our ministries here within the church. You can always check out our Volunteer Database on the VOLUNTEER tab at www.graceohio.org for current opportunities to Give It Away. Let's be healthy followers of Christ as we live this life knowing, living and giving together. Why not find your place today?

Giving It Away,

“Each one should use whatever gift he has received to serve others, faithfully administering God’s grace in its various forms.”

Here at Grace, we encourage each person to come just the way they are. We don't think people need to dress up or be a certain age or marital status. We encourage each person to be themselves, and we hope to connect with them just as God wants to connect with them. We think the story of Jesus is the single most life-changing thing we can share with people, and our adult ministries focus on loving people and sharing that story. Below, you'll find just a few of the ways you can get involved and serve with us!
